A cab card will be available for individual vehicles during spring weight restrictions which will allow normal axle loading only. These will be available only to vehicles used to provide an essential community service. Definition of an essential community service will be made on a narrowly defined case-by-case basis by this road commission (e.g., well-drilling and septic systems, etc.).

*Inspection will be billed on a monthly basis. A listing of hourly charges for personnel and equipment normally used by the commission will be furnished upon request. Such charges are subject to change without prior notice and reflect necessary and actual costs for services.

Adopted: November 21, 2000

Revised: March 27, 2001
