Preservation / Structural Improvement Projects in 2022

6th Street - H Avenue to F Avenue

This project includes road surface milling and asphalt resurfacing, work to improve drainage and erosion by installing and rehabilitating spillways.

Alamo / Oshtemo Township

Funded by RCKC

Estimate \$358,500

Miller Drive - 0.2 miles east of 35th Street to 38th Street

This project includes existing road surface milling, asphalt resurfacing, reestablishing shoulders, and tree removals.

Charleston / Comstock Township

Funded by RCKC

Estimate \$309,000

R Avenue - 36th Street to E. County Line

This is a final project closeout from 2021. The project included existing road surface milling, asphalt resurfacing, intersection improvements, and culvert replacements.

Climax Township

Funded by RCKC

Estimate \$10,000

35th Street at Shadowlane Avenue

This project includes a traffic signal replacement with a new mast arm traffic signal.

Comstock Township

Funded by RCKC

Estimate \$400,000

Sprinkle Road - E. Main Street to G Avenue

This project includes road surface milling and asphalt resurfacing, updating sidewalk ramps at H Avenue, improving safety by installing concrete pavement in the median and shoulders for rumble strips, and reducing roadside slopes.

Comstock Township

Funded by Federal Surface Transportation Program / Federal Safety Program / RCKC

Estimate \$2,312,500

Sprinkle Road - N Avenue to I-94

This project design includes sidewalk ramp work in advance of the 2023 construction project.

Comstock Township

Funded by Federal Surface Transportation Program / RCKC

Estimate \$147,000

Comstock Signal Pre-emption

This project is being completed with Comstock Township Fire Department to install emergency vehicle pre-emption devices at all traffic signals in Comstock Township. The devices will then prioritize green lights for approaching emergency vehicles through the intersections.

Comstock Township

Funded by Comstock Township / Federal Safety Program

Estimate \$405,000

G Avenue - Riverview Drive to 24th Street

This is a final project closeout from 2021. The project included existing road surface milling, asphalt resurfacing, intersection improvements, and sidewalk ramps upgrades.

Cooper / Kalamazoo Township

Funded by RCKC

Estimate \$7,000

Mt. Olivet Road - G Avenue to Riverview Drive

This project includes road surface milling and asphalt replacement and drainage improvements north of G Avenue and improvements to reduce erosion on the hills.

Cooper Township

Funded by RCKC

Estimate \$207,000

Alamo Avenue - Nichols Road to 1.20 miles east of Nichols Road

This project includes existing road surface milling, asphalt resurfacing, reestablishing shoulders, and tree removals.

Kalamazoo Township

Funded by RCKC

Estimate \$248,000

Barney Road - Nichols Road to Douglas Avenue

This project includes road surface milling and asphalt resurfacing, curb and gutter work along with drainage improvements.

Kalamazoo Township

Funded by Federal Surface Transportation Program / RCKC

Estimate \$2,024,000

Mosel Avenue - Douglas Avenue to Riverview Drive

This project includes traffic signal replacements and upgrades for the intersections of Mosel Avenue at Riverview Drive, Burdick Street, Westnedge Avenue, and Douglas Avenue.

Kalamazoo Township

Funded by Federal Surface Transportation Program / Congestion Mitigation Air Quality (CMAQ) / RCKC

Estimate \$1,174,800

Nichols Road - W. Main Street to Ravine Road

This is a final project closeout from 2021. The project included existing road surface milling, asphalt replacement, shoulder widening, storm sewer improvements and traffic signal replacement.

Kalamazoo Township

Funded by RCKC

Estimate \$10,000

Solon Street - City of Kalamazoo Limits to W. Main Street

This is a final project closeout from 2021. The project included existing road surface milling and asphalt replacement.

Kalamazoo Township

Funded by RCKC

Estimate \$5,000

S Avenue - 29th Street to 34th Street

This project will reconstruct the road by crushing the old road surface, placing new asphalt, updating some drainage culverts, improving grades in the curves and widening the shoulder.

Pavilion Township

Funded by Federal Rural Task Force / RCKC

Estimate \$2,288,000

Sprinkle Road - Milham Avenue to N Avenue

This is a final project closeout from 2021. The project included existing road surface milling, asphalt replacement, intersection, and drainage improvements, and sidewalk ramp upgrades.

Pavilion Township / City of Portage

Funded by RCKC

Estimate \$25,000

O Avenue - 6th Street to 8th Street

This project includes existing road surface milling, asphalt resurfacing, reestablishing shoulders, culvert replacements and tree removals.

Texas Township

Funded by RCKC

Estimate \$179,000

W. Gull Lake Drive - CD Avenue to BC Avenue

This project includes existing road surface milling, asphalt resurfacing, reestablishing shoulders, culvert replacements, and tree removals.

Richland Township

Funded by RCKC

Estimate \$194,000

Non-Motorized Projects in 2022

A

Kalamazoo River Valley Trail #6 Extension - Eagle Drive to 37th Street

This project includes construction of a new non-motorized path.

Prairie Ronde, Schoolcraft, Brady, Wakeshma, Climax, Pavilion, and Texas Townships

Funded by Transportation Alternatives Program / Kalamazoo County Parks Foundation

Estimate \$555,000 (with RCKC acting as the Public Act 51 Agency)

Kalamazoo River Valley Trail #7 - 37th Street to Augusta Drive

This design project includes the construction of a new non-motorized path connection from Galesburg to Augusta.

Charleston / Ross Township

Funded by Transportation Alternatives Program / Kalamazoo County Parks Foundation

Estimate \$80,000 (with RCKC acting as the Public Act 51 Agency)

Kalamazoo River Valley Trail #6 - 35th Street to Eagle Drive

This is a final project closeout from 2021. The project included construction of a new non-motorized path.

Comstock / Charelston Township

Funded by Transportation Alternatives Program / Kalamazoo County Parks Foundation

Estimate \$10,000 (with RCKC acting as the Public Act 51 Agency)

Drake Road Trail (Safety Project) - KL Avenue to Green Meadow Road

This project includes the final season of watering and planting maintenance for the 2020 project that installed the path on along the west side of the road.

Oshtemo Township

Funded by Federal Safety Program / Oshtemo Township

Estimate \$10,000 (with RCKC acting as the Public Act 51 Agency)

TU Avenue at 23rd Street

Design Intersection Improvements (Construction anticipated in 2024)

Brady Township

Funded by RCKC

Estimate \$70,000

Sprinkle Road at Market Street

Design Traffic Signal Replacement (Construction anticipated in 2024)

Comstock Township

Funded by RCKC

Estimate \$35,000

Sprinkle Road - N Avenue to I-94

Design Mill / HMA Overlay (Construction anticipated in 2023)

Comstock Township

Funded by RCKC

Estimate \$10,000

12th Street - Ravine Road to D Avenue

Design Pulverize / HMA Overlay / Shoulder Widen (Construction anticipated in 2023)

Cooper Township

Funded by RCKC

Estimate \$15,000

Douglas Avenue - City of Kalamazoo Limits to Barney Road / Mosel Avenue

Design Mill / HMA Overlay (Construction anticipated in 2023)

Cooper / Kalamazoo Township

Funded by RCKC

Estimate \$95,000

Lake Street - City of Kalamazoo Limits to Olmstead Road

Design Reconstruct / Drainage (Construction anticipated in 2023)

Kalamazoo Township

Funded by City of Kalamazoo / Kalamazoo Township / RCKC

Estimate \$15,000

Almena Drive at 2nd Street

Design Intersection Improvements (Construction anticipated in 2023)

Oshtemo Township

Funded by RCKC

Estimate \$75,000

KL Avenue - 11th Street to Drake Road

Design Center Left-Turn Lane (Construction anticipated in 2024)

Oshtemo Township

Funded by RCKC

Estimate \$15,000

Parkview Avenue - 11th Street to 12th Street

Design Intersection Improvements (Construction anticipated in 2023)

Oshtemo Township

Funded by RCKC

Estimate \$110,000

24th Street / AB Avenue - D Avenue to M-89

Design Pulverize / HMA Overlay / Shoulder Widen (Construction anticipated in 2023)

Richland Township

Funded by RCKC

Estimate \$10,000

Sprinkle Road over Spring Brook

Design Bridge Maintenance (Construction anticipated in 2023)

Richland Township

Funded by RCKC

Estimate \$20,000

W Avenue - 42nd Street to 44th Street

Design Pulverize / HMA Overlay / Shoulder Widen (Construction anticipated in 2023)

Wakeshma Township

Funded by RCKC

Estimate \$75,000
